

# STUDIO ROOSEGAARDE IS HIRING

JOIN THE DREAM FACTORY AS A **FULL-TIME DESIGNER**

"UNLEASH YOUR CREATIVITY AND MAKE A DIFFERENCE"

At Studio Roosegaarde in Rotterdam, we are a team of dedicated professionals with a shared vision to shape the landscapes of the future through design. Led by artist Daan Roosegaarde, our interdisciplinary team of specialists believe that with hard work and an unwavering spirit, anything is possible. If you can imagine it, you can create it.

We agree that the world deserves more than just imaginative ideas, but also the courage to bring them to life. From upcycling 8 million kilos of space junk to creating a city devoid of air pollution, we turn daring dreams into tangible realities. Because every project requires a different approach, no challenge is too great and no restriction too limiting for our unrelenting drive to design a better future.

Our portfolio showcases our innovative and sustainable character, including permanent and temporary projects such as the Van Gogh Cycle Path, the Smog Free Project, Waterlicht and SPARK. Join our mission to reimagine the world and bring positive change.

## **DESIGNER**

Due to a growing number of projects, we're on the hunt for a visionary designer who is inspired by the power of imagination and isn't afraid to bring their most radical ideas to the table. You're a creative force, driven by curiosity and a determination to make dreams a reality. Your impeccable eye for detail, combined with your technical knowledge and experience in the design field, sets you apart from the rest. For you, coming up with ideas is just the beginning. You know that turning those ideas into impactful projects requires resourcefulness and the ability to assemble the right team of experts and suppliers. As a designer at Studio Roosegaarde, you will play a critical role in the creative and technical implementation of our public international artworks.

## **RESPONSIBILITIES**

- Leading the creative and technical design process.
- Providing creative support to Daan Roosegaarde.
- Collaborating effectively with internal and external stakeholders.
- Communicating ideas clearly, effectively, and convincingly.
- Managing suppliers and ensuring quality control.
- Overseeing project budgets and timelines.
- Translating artistic concepts into technical designs.
- Conducting research on materials and techniques.

## **REQUIREMENTS**

- A minimum of 5 years of experience in a leading design or engineering firm.
- A well-rounded portfolio that showcases imagination and vision, with at least two projects where you have taken ownership from start to finish.
- Proficiency in design software such as Adobe Creative Suite, Rhino, SketchUp, AutoCAD, Midjourney, etc.
- Strong English and Dutch language skills.
- Ability to work independently, with hands-on experience in prototyping.
- Driving license B.
- Availability to travel internationally, specifically to the Middle East and Asia.

## **WHAT CAN WE OFFER**

- Full-time contract
- A one-of-a-kind workplace that cultivates a free working environment of creativity with a focus on innovative projects.
- Opportunity to contribute your own ideas and creativity to our projects.

## **HOW TO APPLY**

If you are excited about the opportunity, we'd love to hear from you. Please send your updated CV, portfolio, and a brief cover letter explaining why you want to intern at Studio Roosegaarde to [work@studioroosegaarde.net](mailto:work@studioroosegaarde.net).
